Dear Parents and Carers

It makes me incredibly proud to be able to take this opportunity to write to you regarding the praise I have passed onto your child for their fantastic contribution to a successful Ofsted inspection earlier this half term.

The initial feedback we have received as a school has been extremely positive and each of our pupils has played a part in this. As you are aware, the school has undergone a significant period of change and we are pleased to have taken that journey together along with your child. The full inspection report will be published and available to parents in due course.

As a cohort, the Year 10 have already shown a level of maturity this year, and we are starting to see them flourish in their chosen GCSE subjects. This is a true testament to the young adults they are striving to become, and as parents, you should also be very proud of them.

It was wonderful to see so many parents and carers attend the recent information evening and here is a reminder of some important events and key dates happening during the school year:

Thursday 12 December 2024	Year 10	Christmas Dinner
