Executive Headteacher: Mr Jamie Foster

## Headteachers's Comment:

It was lovely to see so many Year 7 parents attend the Information Evening held at the school this week. I shared the importance of the relationship between home and school to ensure every opportunity of success for our young people. We want to continue to improve communication and the relationships between the teachers, parents and the year teams. The Year 7 team are so proud of the start the Year 7s have made at St Martin's, and we have had so many positive messages. If you do have any concerns, please do not hesitate to contact:

We look forward to seeing the rest of the year groups at the information evenings detailed below:

Year 9 – Monday 09.10.23

Year 10 – Wednesday 18.10.23

Year 8 – Wednesday 01.11.23

Year 11 – Wednesday 08.11.23

## ★ Year 11 Geography Trip

Last week we took our Year 11 Geography students to Stratford for their GCSE fieldwork. The trip consisted of three separate visits, which aimed to help our students' practice the data collection and analysis skills required for Paper 3 of their Geography GCSE. We travelled by coach to Stratford High Street, the Olympic Park and Westfield Shopping Centre where the students' gathered local residents' opinions through a questionnaire, completed environmental quality surveys, conducted pedestrian counts and drew some fabulous field sketches.

This week in class, they will use their data to conclude 'How successful has the London Olympic regeneration been in the Stratford area?'. The students were a real credit to St Martin's School and we are very proud of our Geography GCSE students. Well done to everyone for showing such independence, versatility and enthusiasm!
