Be the best you can be.

Executive Headteacher: Mr Jamie Foster

## Headteachers's Comment:

I am delighted to be returning as the Executive Headteacher at St Martin's School and it has been a privilege to meet all our wonderful students and staff in my assemblies this week.

I shared with our community my expectations on behaviour, uniform and standards in the classroom and our core values of Be Kind, Be Safe and Be Responsible.

Having reviewed the parent survey from the summer I know that you share my priorities of having excellent learning environments and the very best teaching experience possible for our young people.

The school improvement plan focuses on three key priorities of outstanding behaviour for learning, ensuring our curriculum is delivered to the highest standard and meets the needs of all our students.

This week I had the pleasure of meeting our sixth form Student Leadership Team who will be working closely with the new Senior Leadership Team to help drive our school improvement and make it the very best environment for our students.
