Dear Parent and Carers,

Re: Friday 5 July 2024 – Remote Learning Day

I am writing to inform you that more than 350 Year 5 pupils will be visiting St Martin's school on **Friday 5 July 2024** for a unique opportunity to immerse themselves in secondary school life. This visit will allow them to partake in lessons and learning experiences that they may not have encountered before. Some of our student leadership team will also be involved in the day which helps to foster the positive relationships that is so important to our school community.

Due to the large number of Year 5 students on site that day, we have designated it as a remote learning day for pupils in Year 8 to Year 10 and Year 12. Our teachers will be providing appropriate work on Satchel One for your child to access from home. This day can also serve as an opportunity for your child to catch up on any pending assignments or tasks. Year 7 will be completing end of year exams on this day and so will attend school as normal.

We encourage all pupils to ensure they have access to Satchel One for the assigned work. Any technical difficulties can be addressed by speaking to their respective Head of Year. Parents and Carers are encouraged to log in to Satchel One at any time to monitor the progress of the assigned tasks. If you require a login, please do not hesitate to contact the year team for assistance.

All pupils in Years 8-10 and Year 12 are expected to return to school on **Monday 8 July at 8:25am.**

Thankyou for your understanding and cooperation in this matter. Your support is greatly appreciated in ensuring a smooth and productive learning experience for all students.

Yours faithfully

Mr J Foster
Executive Headteacher
