Dear Parents and Carers

Re: Whole School Pupil Updates

We are delighted with how positively students have returned to us following the Christmas break. All pupils have now received a rule reminder assembly, which is also attached to this message for your reference. This assembly provided reminders of expected behavioural standards to ensure that pupils are set up for a successful term, along with reminding them of the pastoral support available.

This term is exceptionally busy for events and activities. The start of the term has already seen out Year 9s take part in the local labour market event, Year 10s attend the Ballet Shoes theatre trip and the school have a visit from west end star Savannah Stephenson.

There is plenty more to come, so please make note of the following dates for your diary:
