4 October 2024

Dear Parents and Carers

**Re: Thursday 17 October 2024 - Sixth Form Open Evening and Year 11 Parent Information Evening**

As we approach the remaining weeks of this half term, I would like to congratulate Year 11 on their positive start to the academic year. They have achieved over 5000 achievement points to date; a testimony to their drive and commitment. Going forward, we wish to capitalise on this and ensure we keep the momentum going as pupils prepare for their GCSE examinations.

To that end we would like to invite parents and carers to the Year 11 Information Evening on Thursday 17 October at 16.30, in the South Hall. We are holding this evening in conjunction with the Sixth Form Open Evening to avoid Year 11 parents having to attend two separate meetings in a short space of time, and to offer face to face support for parents and carers who may have additional queries.

On the evening, a presentation will be led by senior members of staff in South Hall, where we shall cover a range of topics to support both you and your child this academic year. This will include support regarding preparation for PPEs and advice from English, Maths and Science. Mr Langley, our Head of Sixth Form, will also speak about our Sixth Form, the pathways we offer and the opportunities for students going forward.

Following on from this meeting, we invite you to attend our Sixth Form Open Evening at 17.30, in the Sixth Form block. Here, you will have the opportunity to speak with subject leaders, staff and students about the courses you may be interested in pursuing. Tea and coffee will also be available.

We very much hope that all parents and carers will be able to attend but should that not be possible, a copy of the presentation will be sent out to parents the following day.

Please can you confirm your attendance by completing the following form by clicking [here](#). We look forward to welcoming you then.

Yours sincerely

Mrs A Day and Mr D Langley  
**Deputy Headteacher & Assistant Headteacher i/c Sixth Form**
